

Volunteer Opportunities

Spring Volunteer Projects

- ◆ **Grounds Clean Up**– Camp sits on 86 acres and there is always lots to do. Projects include: Leaf clean up, gardening, mowing, flower bed maintenance, and much more.
- ◆ **Building Organization and Clean Up**– After Camp has been idle for 5+ months each building needs some clean up and clean out! If you have a knack for organization, this is your place to help!
- ◆ **Painting (And LOTS of it)**- A lot of our buildings need interior and exterior painting. Grab your brushes and grubby clothes and come help us paint!

Other Volunteer Opportunities

Special projects for school, scouting, civic, youth or corporate organizations available. We will work with you to ensure your project will be enriching, enjoyable and will make a difference in the lives of our campers.
