Why Donate?

Camp Courageous & The Arc of NW Ohio, Inc. is a certified 501 (c)3 non-profit agency that has been working with special needs individuals for more than 50 years! We serve individuals of all ability levels & ages (from age 5 to 95!) as well as a range of diagnosis from autism to down syndrome to ADHD and FASB. Our camp provides a variety of activities to ensure a comprehensive outdoor recreational experience for those we serve. We offer Day Camp for the younger kids, week long Residential Camp, and Weekend Respite to give parents and caregivers a much needed break. Most of our campers are funded through Medicaid at a fixed rate of \$749.65/week. However, the true cost to host each camper is **\$1400** per week! Leaving us to absorb the remaining cost.

For this reason, donations are *vital* and so very important to us! We would love to show you around our beautiful camp so you can see first hand how we impact the lives of those we serve. Won't you consider joining us in this journey to help our special needs friends? Any and all donations are appreciated! We are truly grateful for your support.
